

# PEDIATRIC CARDIAC AUSCULTATION

## WINTER SEMESTER 2023/24

### 09.11. – 30.11.2023

---

*Dear students,*

*We are pleased to inform you that Assoc. Prof. Ioannis Germanakis will be hosting a webinar on pediatric auscultation.*

***Aim of the course:*** *To provide a multimedia based e-learning course in pediatric cardiac auscultation for Medical students based on*

- a) small group interactive teaching*
- b) “virtual” evaluation of pediatric cardiology cases, based on reproduction of digital phonocardiograms, demonstration of corresponding radiology, ECG and echocardiographic studies*

***Certification:*** *Participant students are entitled having successfully attended the course, following complete course attendance and active participation during the interactive e-workshops. Certificates of auscultation proficiency based on the performance on a final evaluation will be also provided.*

***The seminar will be offered exclusively as synchronous e-learning course, while additional asynchronous e-learning material supports individual study.***

***Teaching hours:*** *Thursdays from 4:30 – 7:30 pm*

***Teaching venue:*** *None. Synchronous e-learning platform (zoom) attendance from home*

***Number of participants:*** *up to 30 students*

***Language:*** *Lectures are in English, however teaching material (also in German) will be provided well in advance in interested students.*

***TEACHING MATERIAL (optional study):*** *Web-lectures with digital phonocardiogram presentation free available at: <https://opencourses.uoc.gr/courses/course/index.php?categoryid=41> Select: Pediatric Cardiology Virtual Auscultation Course (EN) password: pedcardsound*

***We would like to welcome you in this multimedia clinical skills webinar in pediatric cardiac auscultation! Sign up now via Med Campus!***

***Further information:*** *Twyla McGee Wagner, Core Unit Lehre in der Pädiatrie ([twyla.mcgeewagner@meduniwien.ac.at](mailto:twyla.mcgeewagner@meduniwien.ac.at))*

*Assoc. Prof. Ioannis Germanakis, Faculty of Medicine, University of Crete ([germanai@uoc.gr](mailto:germanai@uoc.gr) & [yannis.germanakis@gmail.com](mailto:yannis.germanakis@gmail.com))*
